

**STUDIO ONE**

**STUDIO TWO**

Here is the situation of the production studios inside the building. There is different access depending on your needs.

## WHAT WE CAN PROVIDE:

### PRODUCTIONS STUDIOS:

2 productions studios, 1 is big, 1 is blue.

### LOGES:

This room is a multifunctional room. It is 50m<sup>2</sup>. You can use it as a meeting room, small production studio, photo shooting,...

### EDITING ROOM:

The editing room is around 30m<sup>2</sup>.  
Equiped with 2 workstations (1 is movable).

### CAFETERIA:

The cafeteria is around 120m<sup>2</sup>.  
There is a kitchen with basic elements.  
Tables and chairs to welcome around 50 people.

# STUDIO ONE

IS BIG  
IS SITUATED IN ROSSENS  
IS WAITING FOR YOU

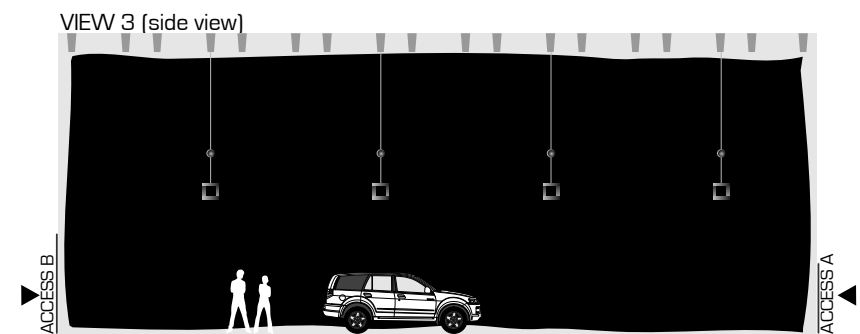

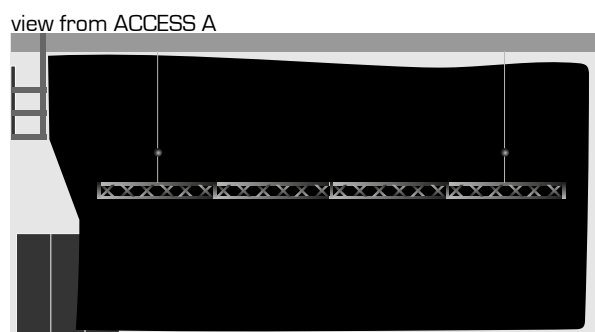

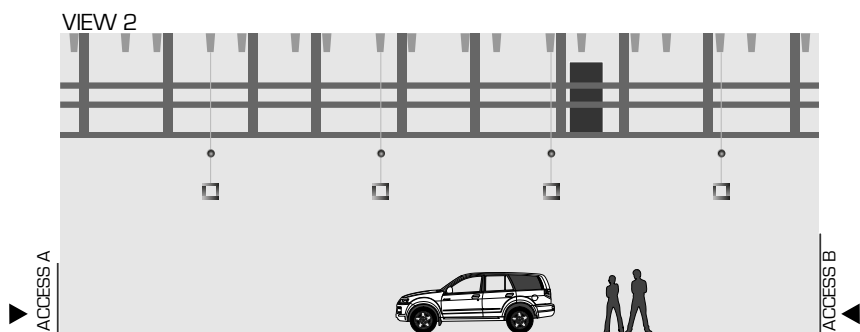

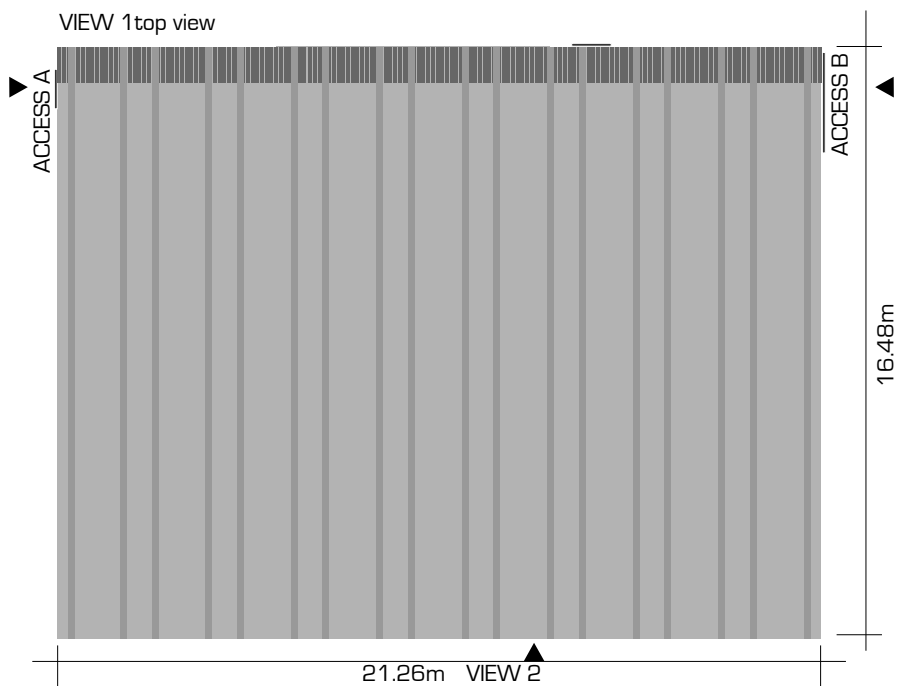

# STUDIO ONE

The dimensions of this studio are the following:

L 21.26 m X I 16.48 m X Height A(din): 7.91 m | Height B (roof): 8.43 m.

The surface of STUDIO ONE is: 350,36 m<sup>2</sup>. The studio is soundproofed.

The garage is next to the entry B and it permits an easier access for OB VAN where you can easily park an 8m length vehicle. DC 16 x 64 amps. Black curtains are recovering 3 walls.

# STUDIO TWO

IS NOT SO BIG AS STUDIO ONE BUT IT IS BLUE  
IS SITUATED IN ROSSENS  
IS WAITING FOR YOU

# STUDIO TWO

The dimensions of this studio are the following:

L 11.80 m X I 9.24 m X Height A (din): 7.91m X Height B (roof): 8.43 m.

So the surface of this productions studio is: 109.03 m<sup>2</sup>. It is soundproofed.

DC 16 x 64 amps. Actually it is a bluebox, this blue covers the ground and 3 walls. A few angles are curved (see IMG1).

Two minutes from the motorway exit.
